

Rod and Sherry Boyd Missionaries to Panama

Rod and Sherry were appointed by AGWM as missionaries to Panama in 1993 after 16 years of pastoral ministry and Christian education involvement in the Northwest Ministry Network. They serve in two principle ministry areas to raise up Christian leaders in Panama and throughout Latin America.

Rod and Sherry have served as Coordinators for **Latin America ChildCare** in Panama since 1995 where they minister to more than 8,500 children and youth in the 35 Assemblies of God Christian schools in the country. They also serve as members of the LACC Leadership Team and LACC Regional Coordinators for the 250 schools and 50,000 children and youth in the seven Central American countries. Additional information about LACC is available at www.LACC4Hope.org.

Rod is Coordinator for Educational Ministries for the 19 Spanish-speaking countries in Latin America and the Caribbean, providing leadership to ministries from local church discipleship through the master's level. Rod and Sherry direct the **Resource and Advisory Center** that serves the 1,000 Bible schools and extensions in the Latin America / Caribbean region. Additional information is available on their two Spanish websites: www.ElAsesor.org and www.ServicioAD.net.

Most recently, God has placed on their hearts the vision to open the **Latin America Resource and Training Center** in Panama to support educational ministries throughout the Spanish-speaking Latin America and the Caribbean region by enabling leadership, equipping educators and providing resources. Additional information is available on the Latin America Resource and Training Center website at www.lartc.net.

Please visit Rod and Sherry's website, www.Boyd.org, for additional information and ministry reports.
