

# Partnership

*"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your **partnership** in the gospel from the first day until now." (Philippians 1:3-5)*

We can't imagine doing what we do without you! We have an army of churches, family and friends who stand with us as we raise up Christian leaders in Panama and throughout Latin America. We don't take your partnership for granted. With Paul we say, "in all our prayers for all of you, we always pray with joy because of your partnership." God uses your faithful prayer and financial support to send and to cover us. Thank you!

**Itineration Update.** We have now completed six months of itineration ministry. We're happy to report that we have raised half of the \$1,200 in additional monthly commitments required to meet our monthly budget. Most of the \$1,200 is to replace commitments that have been lost in the last few years. Please pray with us that the additional \$600 in monthly support commitments will come in by the end of May. These commitments are required for us to have permission to return to Panama.

**Renewal Tour.** We've enjoyed our time reconnecting with churches and individual supporters. Because our support base includes nearly 100 churches, it isn't possible to schedule a service in all of them. We are making contact with pastors of the churches where we are not scheduled, hoping to be able to personally visit with as many as possible. Our desire is to do the same with our 33 personal supporters. These contacts are part of what we are calling our *Renewal Tour*—reaching out to those that have helped us down through the years to say thank you and to ask for their renewed commitment to continue to stand with us.

**Return to Panama.** Our last missions service is scheduled for Sunday, June 28th. ***Our target date for returning to Panama is Thursday, July 2nd.*** Even though we are in the States to itinerate during these months, our heart and work remain in Panama. Our work is not suspended while we are in the States. We have a competent team of leaders and support staff who carry the majority of the workload while we are gone.

We are thankful for missionary Associates **Randy and Lynne Forsyth** who give leadership to school construction and assist with Latin America ChildCare responsibilities while we are gone. And we're thankful for fellow missionaries **Miguel and Maria Morales** who capably advance our ministerial training programs and events.

**Continuing Ministry.** We are in constant communication with these missionary colleagues, as well as our support staff. And we continue to invest several hours each week in field ministry. Together, we are preparing for major events and programs that are scheduled for the coming months. We ask you to join us in prayer as we plan, organize and conduct the following events and programs:

- Educational Leader Summits in the Dominican Republic (Sept. 2015), Panama (April 2016) and Bolivia (Aug. 2016)
- 2015 PROCEPA Bible School Teacher Certification Seminars in Panama (March), Chile (March), Nicaragua (April) and Argentina (June)
- Missionary Educator Summit (May 2015)
- Little Davey Computer Deployment in Guatemala (July 2015)
- Christian Education Services Directory Board Meeting (Aug. 2015)

These events and programs directly inspire and equip hundreds of leaders who minister to countless thousands. Thank you for standing with us as we raise up Christian leaders in Panama and throughout Latin America.
